Scenic America is accepting applications for summer internships in Communications & Development and Policy, Advocacy & Research. Interns will play important roles as part of the nation’s only scenic conservation organization and will have the opportunity to produce valuable work that will be promoted to a national and even an international audience.

Interns will work directly with Scenic America staff and have mentorship opportunities with the many accomplished members of our Board of Directors. Interns will have many professional development opportunities and will work from Scenic America’s offices in downtown Washington, DC.

Application deadline is March 29, 2019. For more information and instructions on how to apply click the bolded titles below:

Our Communications & Development intern duties will include:

- Drafting articles for the Scenic America website and newsletter
- Assisting with press releases and media work
- Arranging webinars and other communication with affiliates
- Supporting the creation of donor appeals, including social media and online messaging
- Conducting donor prospect research
- Helping to prepare foundation grant applications and reports

Our Policy, Advocacy & Research intern duties will include:

- Conducting research and track and analyze legislation on scenic conservation topics
- Creating an inventory of current state laws and local ordinances regarding scenic conservation topics
- Supporting the drafting and compilation of federal legislation, state legislation, and local ordinances
- Supporting the drafting of memoranda, policy briefs, fact sheets, blog articles, and background papers on issues relating to scenic conservation
- Attending meetings, Congressional hearings, and other events related to scenic conservation policy and subsequently brief Scenic America staff
