

## Maine

### The National Scenic Byways Program

The National Scenic Byways Program, established by Congress in 1991, recognizes historic, scenic, and culturally important roads, all of which promote economic development and tourism in communities around the U.S. The Maine Office of Tourism has collected data showing strong interest for national byways and believes that the National Scenic Byway label lends motorists a level of assurance that the experience will be of higher quality. Maine boasts one of the oldest scenic byways programs in the Nation, with seven National Scenic Byways and six State Scenic Byways. The Acadia All-American Road provides access to Acadia National Park, one of the Nation's most [visited](#) national parks.

#### Key points:
