

Policy, Advocacy, and Research Intern

Overview: We are seeking interns to assist us with research, analysis, drafting of written materials, and monitoring activities of the executive and legislative branches of government on scenic conservation issues. Scenic America is the only national 501(c)(3) nonprofit organization dedicated solely to preserving and enhancing the visual character of America's communities and countryside. We accomplish this mission through national advocacy efforts and technical assistance services, local and national projects, and the support of our state affiliates. For more information about Scenic America visit our website at www.scenic.org.

Responsibilities:

- Conduct research and track and analyze legislation on scenic conservation topics such as scenic byways and gateways, parks and open spaces, mitigating visual impacts of overhead wires, promoting beautiful highways, preserving community character, state legislation relating to scenic conservation, and related appropriations
- Work to update and verify inventories of current state laws and local ordinances regarding above scenic conservation topics
- Support the drafting and compilation of federal legislation, state legislation, and local ordinances
- Support the drafting of memoranda, policy briefs, fact sheets, blog articles, and background papers on issues relating to scenic conservation
- Attend meetings, Congressional hearings, and other events related to scenic conservation policy and subsequently brief Scenic America staff
- Perform occasional administrative and clerical tasks such as assisting with mailings, processing checks and creating acknowledgment letters, scanning documents into a digital archive and light office cleaning duties
- Additional tasks as assigned by Scenic America staff

Qualifications:

- Strong attention to detail
- Excellent research skills
- Excellent written, oral, and interpersonal communication skills
- Motivation to work on substantive scenic conservation topics
- Knowledge of Microsoft Word and Excel
- Must possess excellent judgment and discretion
- Demonstrated ability to organize, prioritize, and complete work independently

Physical demands:

- Sitting for extended periods at a desk and using a provided desktop or laptop computer
- Occasionally lifting and carrying up to 15 pounds
- Ability to use public transportation to attend various events around Washington

Hours: 35-40 hours per week, hours are flexible.

Location: *Remote internship candidates will be considered and are welcome to apply.* Interns who are available to join us in Washington will work in Scenic America's offices at 727 15th Street NW.

Compensation: Academic credit is available to students, and interns will receive a \$100 stipend to offset personal expenses related to participation in the internship.

Benefits: Interns will work directly with Scenic America staff and have mentorship opportunities with the many accomplished members of our Board of Directors. Interns will have many professional development and networking opportunities and can publish their work in Scenic America briefs, newsletters, online communications, and website.
